**International Plastic Card Corporation Pty.Ltd (I.P.C.C.)** is situated in Queensland, on the East Coast of Australia.

I.P.C.C. specialise in the production of Smart Cards, Colour Plastic Cards, I.D Cards, Phone Cards, Drivers Licence Solutions, Magicard Plastic Card Printers, Peripherals, Consumables and Card Solutions, utilising the latest cutting edge manufacturing technology.

**I.P.C.C.** recently added the facilities to produce Credit Card sized CD Cards, available in an assortment of shapes and sizes. This brilliant new medium offers up to 100 Megabytes of presentation space to sell your companies image and products. We combine Graphics, Sound, Voice overs and Video files.

Applications vary from Multimedia Business CarDs, Interactive Advertising Tools, Entrance Tickets, Airline Timetables, Annual Reports, Fashion and Colour Catalogues with only your imagination being the limiting factor.

We can produce quantities of 1,000 to 5 million. This compliments all Plastic Card solutions that are currently offered. Please contact us to quote any of your requirements.

**I.P.C.C.** distribute the full range of Copytrax CD Replicators, Printers and Consumables **whilst offering** total service from design through to the finished product.

Please email **Mark Wren** at [ipcc@ozemail.com.au](mailto:ipcc@ozemail.com.au) or [cherricomputers@ozemail.com.au](mailto:cherricomputers@ozemail.com.au) for a prompt quotation.
